

MOU between the Wray's and West Coast Soaring Club:

February 20, 2015

- The field known as the “Wray’s” will be available as an alternate landing field only to be used when the Pemberton Meadows Field is unavailable.
- The West Coast Soaring Club (WCSC) will build a walking bridge at the designated location connecting the Pemberton Meadows Field.
- The bridge will be gated.
- There will be signage indicating:
WRAY’S PRIVATE PROPERTY
 - Access for pilot landings only, no kiting practice
 - Non-HPAC insured pilots are in trespass beyond this gate
 - Commercial operations with prior approval only
 - Please pack up after landing and exit the field ASAP
 - No smoking, no alcohol, no garbage, no chairs, no dogs

- Tandems & commercial activity: recreational tandem paragliding will be permitted. This MOU does not address commercial activity. Commercial operations need to make their own arrangements.
- WCSC will arrange to keep the grass cut down at its own expense.
- WCSC will: install a small windsock; mark the fence on the west side of the field that guards the ditch; understand that the field is rough and can be wet.
- The Wray's will have direct contacts to address any concerns.
- The Wray's have extended their hospitality to the paragliding community for the 2015 season.
