

# WCSC - SPONSORSHIP FORM

Please fill out all the fields. Remember to pay the \$100 annual fee online using our secure PayPal link on our [website](#). Your sponsorship won't be live until we receive your payment.

Along with this form, you'll need to attach a logo (in vector format please - that means it should end in .eps or .ai). If you don't have it in that format, then send what you have, and we'll see if it's usable. Otherwise, we can simply put your business name in place of a logo and have that link to your site.
